Parking is \$3/day in the parking garage or free on the street outside of campus. Parking on the street will be difficult on Thursday, but easier on the other days.

From San Jose Airport:

Take the 880/17 freeway south to the 280 freeway exit south. Immediately after entering 280 south take the Bascom/Leigh exit. At the top of the ramp the college will be on your right, with an entrance to the parking lot at the stop light.

From San Francisco airport:

The most scenic way is to take freeway 380 west exit from the airport. After several miles take the freeway 280 south exit and you will be on what has been called the most beautiful freeway in the world. Continue south to San Jose. Immediately after passing beneath the freeway 880/17 interchange take the Bascom/Leigh exit. At the top of the ramp the college will be on your right, with an entrance to the parking lot at the stop light.

OR

A slightly faster but often more congested route is to take freeway 101 south to San Jose. At the freeway 880/17 interchange you will exit to the south, heading toward Los Gatos. When you reach the freeway 280 interchange you will take 280 to the south. Immediately after entering 280 south take the Bascom/Leigh exit. At the top of the ramp the college will be on your right, with an entrance to the parking lot at the stop light.
